**URINE TESTS**

- Urine C & S
- Urinalysis
- Urinalysis, Culture if Indicated
- Urinalysis, with Cysto
- Urinalysis, with Free catch
- Urine Micro Albumin

**MICROBIOLOGY**

- Aerobic Source: \_\_\_\_\_
- Anaerobic Source: \_\_\_\_\_
- Environmental ID Source: \_\_\_\_\_
- Blood 7-Day Culture
- Ear (MIC'S)
- Special Ear Panel Topical  
(Neomycin, Chloramphenical,  
Gentamicin, Polymyxin-B,  
Tobramycin, Cephalothin, Enrofloxacin)
- Genital Source: \_\_\_\_\_
- Mycoplasma Source: \_\_\_\_\_
- Respiratory
  - Sputum  Nasopharynx
  - Bronch Wash  Crop Wash
  - Tracheal Wash  Nose
  - Other:
- Stool Culture  
(Salmonella, Shigella, Camylobacter)
- Water Quality Source: \_\_\_\_\_
- Nocardia/Coryne Form
- Brucellosis

**OTHER**

- Acid Fast Stain
- Buffy Coat
- Gastrocult Blood
- Gram Stain
- Occult Blood

**MYCOLOGY**

- Dermatophyte
- Fungal Source: \_\_\_\_\_
- Yeast

**Gastrointestinal**

- Clostridium Difficile (ELISA)
- Cryptosporidium (ELISA)
- Giardia (ELISA)
- Ova & Parasite
- Rotavirus (ELISA)

**IMMUNOLOGY**

- IgG Alpaca
- IgG Equine

**IMMUNOLOGY**

- Feline Leukemia Virus Antigen
- Feline Leukemia Virus Antigen &  
Feline Immunodeficiency Virus  
Antibody Test
- Influenza A/B
- Heartworm

**SURGICAL PATHOLOGY**

- Histopathology Source: \_\_\_\_\_
- Cytology Source: \_\_\_\_\_
- Endometrial Biopsy
- Joint Fluid
- Bone Marrow
- Other Source:

- Necropsy LBS \_\_\_\_\_  
Is It A Legal Case?  Yes  No
- Cremation?  Yes  No
- Save Ashes?  Yes  No
- Return Body?  Yes  No

**SPECIMEN**

- Entire Sample / Lesion Sumbitted?  
 Yes  No
- Surgical Biopsy
- Impression
- Necropsy Tissue
- Bone Marrow
- Other

**STONE ANALYSIS**

- Source:
  - Renal  Biliary
  - Kidney  Gall Bladder
  - Ureter  Common Bile Duct
  - Bladder  Salivary
- Previous History of Stones?  
 Yes  No
- Photos Wanted?  
 Yes  No
